## *Healing Scripture*

*Matthew 7:9-11  
What man is there among you who, if his sons asks for bread, will  
give him a stone? Or if he asks for a fish, will he give him a  
serpent? If you then, being evil, know how to give good gifts to your  
children, how much more will your Father who is in heaven give  
good things to those who ask Him!*

**Number is 19:15****And every open vessel, which hath no covering bound upon it, is unclean.**

God gave Israel laws that would help protect them from disease, and a way to live a righteous life before a holy God. God's word is rarely given with only one meaning, or significance. Each believer is a vessel, holy unto God. When you were saved you became bound to God, you are his child, and God is the covering over you. This verse tells us that a vessel uncovered is unclean, how does that apply to us today? We live in a world filled with uncleanness. If we allow our minds, our eyes, and our ears to receive much of what is in this world then we compromise who we are in Christ. Therefore, we must carefully guard and protect ourselves that we don't step out from under God's covering. God will never leave us nor forsake us, but we can choose to walk away from God by being disobedient. If the things of this world are more important to you than God, you may miss out on His blessings and His covering to protect you. God is merciful and protects us often when we make wrong choices, yet when the Holy Spirit convicts us we need to quickly repent and get back in a right relationship with God. Daniel lived his whole life in a pagan, evil world and yet he was able to keep his heart pure before God. It isn't going to be easy in a world where we can see or hear anything at the touch of our fingertips. We must be on guard to what we listen to and watch. Allow the Holy Spirit to monitor your life by being well grounded in the word. Daily we need to dig and uproot anything we are exposed to that disturbs our spirit. If we allow seeds to be planted in our heart that are not of God they can produce the wrong fruit in our life. We have God's word as a standard to know what is right and what goes against God's will. Paul warns Timothy in 2 Timothy 3:1-5 that in the last days there would be perilous times, then Paul gives examples of what men would be like, read these and you will be assured we are living in the last days. But if we are diligent, stay focused on God, know His word, and allow the Holy Spirit to lead and guide us we will have what we need to live a life holy to God. Stay under God's covering and it will produce a life that is full of joy and worth far more than anything we seem give up in this world. Judy Onofri
