Healing Scripture

Hebrews 11:11

*Through faith also Sara herself received strength to

3 John 1:4

I have no greater joy than to hear that my children walk in truth.

Every Christian mother, grandmother, teacher, or anyone who ministers to the youth desire that their children walk in Biblical truth. Today we honor mothers for their God given role in nurturing and raising children. Children are God's inheritance and our influence on their growth is extremely important. Many in the world consider children an option to have or not, or to be eliminated as an inconvenience. This does not line up with God's word as seen in **Jeremiah 1:5 "Before I formed you in the womb I knew you; before you were born I sanctified you; I ordained you a prophet to the nations.** God knew Jeremiah before his mother knew he existed. God is all about life and the fruit of the womb is precious in His sight. It is written in **Psalms 127:3 Behold, children are a heritage from the Lord, the fruit of the womb is a reward.** Thankfully, there is a large number of mothers that will be honored for their love and devotion to their children, and who raised them in a godly fashion. The molding and shaping of a young mind with the principles of the Bible are worth more than all the games, toys, and possessions that money can buy. Blessed are the children that are brought to Sunday school, church, and are taught by their parents the wisdom found in God's word. John was pleased that the believers he wrote to were walking in the truth and called them his children. Are you a child of God? Are you walking in the truth? Are you raising your children and grandchildren in the admonition of the Lord? Then you are blessed. God knows that the best way to raise a child is with a father and a mother. The devil has successfully attacked the family and many children are being raised by one parent or grandparent. But with God all things are possible. When we put our trust in God He will help the single parent or caregiver of any child if they are willing to put God first. The word of God always works if we believe it and apply it. **Proverbs 22:6 says Train up a child in the way he should go, and when he is old he will not depart from it.** Mothers need the patience of Job and the wisdom of God raising children in today's world, but oh what a blessing when these children grow up with a love for their Creator and appreciation for the mother who bore them and loved them enough to correct them with godly wisdom.
