## ***Healing Scripture***

***Matthew 17:18-20***

***And Jesus rebuked the demon, and it came out of him; and the  
child was cured from that very hour. Then the disciples came to  
Jesus privately and said, "Why could we not cast it out?" So Jesus  
said to them, "Because of your unbelief; for assuredly, I say to you,  
if you have faith as a mustard seed, you will say to this mountain,  
'Move from here to there,' and it will move; and nothing will be  
impossible for you.***

### **1 John 4:4-6**

**You are of God, little children and have overcome them, because He who is in you is greater than he who is in the world. They are of the world. Therefore they speak as of the world, and the world hears them. We are of God. He who knows God hears us; he who is not of God does not hear us. By this we know the spirit of truth and the spirit of error.**

There are two groups of people in this world, those who know God and those who don't. When the transformation takes place in a person's heart they receive the life and nature of God. That life produces light shining into darkness wherever a believer goes. Many are attracted to the light, but darkness and the deeds of the flesh often compel a person to withdraw into darkness where they feel comfortable. When God is drawing a sinner to Him He gives them the faith necessary to make that step to believe. But man always has the final decision, do I want God and walk in His light apart from the world, or do I find more pleasure in darkness to which I am accustomed to? There can be no gray area for a believer, if you are in the light, as He is, so are you in this world. Those who have not found Jesus, or have denied Jesus access to their heart, speak of the world and the world hears them. This can be trying for a believer who is patiently attempting to get the message of the cross to the blind and deaf spiritually. People seem more attracted to the gaudy, sensationalism of the world and are seemingly deaf to the love sonnet their Creator is speaking to them. Thankfully, John gives us the good news that God in us is greater than anyone or anything in this world. We know the ending of all things and we win! God wants us to understand it will never be an easy task shining your light into a world that enjoys darkness. Don't give up, saving souls is the most precious work God wants done in this world. He paid the price through His Son, and sharing that miracle is of paramount importance to God for every living being. The most amazing thing of all is God is looking to you to speak His message and point people to Jesus. Then God does the inside work of infusing His light into a dark soul, forever changing one heart, restoring one person at a time back into relationship with God Almighty. Judy Onofri
