## **Proverbs 6:2**

**Thou art snared with the words of thy mouth, thou art taken with the words of thy mouth.**

It is good to be reminded how important our words are. Everything about God has to do with His word, all things were created by Him through His word. We are created in God's image and therefore our words have power. The Bible tells us life and death are in the power of the tongue, yet we often use words with little regard to their impact. Your character is defined by your words and actions. We often judge people by what they say. Who would others say you are, a person of your word, or are you someone whose words create doubt because you don't keep your word? The Bible tells us we are to swear to our own hurt. That means that if we say something we are to keep our word even if it costs us something. If you don't believe your own words you will not believe God's word either. A Christian must be a person of character who is mindful of what they say and do. Unfortunately, many Christians have hurt the name of Jesus because their words were thoughtless and without love when teaching, correcting, or admonishing another person. God is all about love and His children are to be the same way. Love is demonstrated in our words followed by our actions. In Proverbs 10:11 it is written The mouth of a righteous man is a well of life; but violence covereth the mouth of the wicked. We want our words to speak life to others. The best word we can possibly speak is the gospel of Jesus Christ. Jesus said my words are spirit and they are life. In Proverbs 21:23 it says, Whoso keepeth his mouth and his tongue keepeth his soul from troubles. In our culture idle talk is normal yet the Bible tells us to be quick to hear, slow to speak, slow to wrath James 1:19. Each day it might be wise to use God's word written in Psalm 141:3 as it is written, Set a watch, O Lord, before my mouth and keep the door of my lips. Wrong words are not pleasing to God and we lose our peace when words stream out that have not been filtered through the Holy Spirit. It is so simple and yet hard to think before we speak. We will never do it on our own, but with God's help our words will please Him. Judy Onofri
