## **Healing Scripture**

*Luke 4:18-19, 21*

*The Spirit of the Lord is upon Me, because He hath anointed Me to preach the gospel to the poor; He hath sent Me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, To preach the acceptable year of the Lord. And He began to say unto them, "This day is this scripture fulfilled in your ears."*

## **1 John 1:1, 14**

**In the beginning was the Word, and the Word was with God, and the Word was God,...And the Word was made flesh, and dwelt among us...**

How did you become a Christian? When you heard the good news or what is called the gospel of Jesus Christ, you believed the Word and you were born again. Salvation takes place when you believe in your heart Jesus is the Son of God and that He rose from the dead. It is not just going to church, reading your Bible, and doing good works, though all these things reflect the change that took place in a believer. When we are saved we thank God that we will not spend eternity in hell and that we now have the gift of eternal life with God our Father through His Son, Jesus Christ. This is the starting point of a Christian life. Next, the believer is water baptized and begins to grow in the knowledge of God through the Word of God. The Word will begin to mold you and shape you into the image of Jesus. To be saved and not grow in the Word is actually backsliding. God's kingdom is all about progress and each believer has a calling by God and a purpose in this life. God not only provided the way of salvation but He also wanted to commune with us as He did with Adam and Eve. Every day we can walk and talk with God. By reading and studying the Bible we begin to know how God thinks, and we learn about all the provisions and promises Jesus died to give us. We understand His love and sacrifice, so salvation is never taken for granted. Unfortunately, many Christians have thought going to heaven was the only reason to come to Jesus and they miss the importance of a relationship with God. If you have Jesus in your heart then you must have Jesus, the Word, in you daily to transform your mind. Jesus is the Word, therefore to try and know God without studying the Bible is a serious mistake. The result is many Christians have the same problems as those in the world when we should be far better off than those who have not chosen Christ as their Lord and Savior. Let the word of God dwell in you richly and see how Jesus, the Word, changes you into what God created you to be. Jesus became like you so that you could become like Him. Judy Onofri
