Healing Scripture

Isaiah 53:4, 5

Surely He hath borne our griefs and carried our sorrows: yet we did esteem Him stricken, smitten of God, and afflicted. But He was wounded for our transgressions, He was bruised for our iniquities; the chastisement of our peace was upon Him; and with His stripes we are healed.

Genesis 50:20

But as for you, you thought evil against me; but God meant it for good, to bring to pass, as it is this day, to save much people alive.

There are very few people who have not gone through some trying seasons in their life, or even something so bad they didn't think they would make it through. For the child of God no matter what comes your way, no matter how hard it is, God will bring you through, and one day you will understand why. Joseph went through a thirteen-year trial that would have destroyed most men, or even worse destroyed their faith in God. But Joseph looked to God and trusted Him completely. Joseph's brothers wanted to kill him, instead he was sold into slavery, then he was falsely accused of molesting Potiphar's wife and thrown into prison for many years. There is no doubt Joseph was called by God to fulfill His plan to save the lives of many people. Few people have that kind of calling on their life, but many believers suffer great pain and cannot understand why, when God is good. Staying close to God and His word is the best defense a Christian can have. We must not allow doubt and unbelief to creep in or we distance ourselves from God. God is bigger than we can ever imagine and He wants to reveal Himself to each believer. If you are going through something run to God He knows everything, and wait upon Him. In Joseph's case he was to be used mightily by God and needed many years in the fiery furnace to come forth as gold. You many think what you are going through will never change, but that's not true. God knows right where you are and He is with you every step of the way. God may use what we are going through to test our faith. We often think we would never give up, but there are some who will walk away from God if He doesn't meet their timeline. No matter what, don't give up, there is nothing better in this world than God. Everything in this world will be burned up one day, nothing is worth throwing the towel in for. The good news is that God has given us the answer in Romans 8:28 All things work together for good to those who love God, to those who are called according to His purpose.
