Healing Scripture

Matthew 8:16-17

*When the even was come, they brought unto Him many that were
possessed with devils; and He cast out the spirits with His word, and
healed all that were sick: That it might be fulfilled which was
spoken by Esaias the prophet, saying, Himself took our infirmities,
and bare our sicknesses.*

Psalm 91:15, 16

He shall call upon Me, and I will answer him; I will be with him in trouble; I will deliver him, and honor him. With long life will I satisfy him, and shew him My salvation.

Psalm 91 begins with words of guidance so that we might have the promises given in verses 15 and 16. We are to dwell in the secret place of the most High, that secret place is Jesus. In Christ we have life, and in Christ are all the promises of God. We are also to abide under the shadow of the Almighty. If we are in someone's shadow we are very close to that person. Being a Christian cannot be a casual commitment, it means a lifestyle that is centered around God, His will for our life, and obedience to His word. Everyone who knows you will know you are a Christian, or at least see you are different from the world. God has the most wonderful promises for His children and yet we often forget what they are and we slip into doubt and unbelief. If you are in trouble, know and believe God hears you and will deliver you. Every parent always tries their best to rescue their children from troubles that come their way yet we think God is selective in who He helps. That is not true, but what is true is God watches over His word to perform it. When we know the promises of God, claim them as our own and believe by faith that we will receive them we will have what we ask for. God also has promised long life. We never need fear our life will be cut off short to those who love and believe God's word. But it is imperative that we have the word of God down inside of us. We can only have faith for what we believe. The length of our days will depend greatly on whether we are running the race that God has given us or we living our life the way we choose to. If you are saved God has a purpose and plan for you to fulfill in the kingdom of God. We should continue to work as He has called us until we no longer able, there is no retirement age for a Christian. If you are going to burn out in this life let it be for Jesus. Our light will shine brightly even if our body begins to fail us, and the wisdom of the elderly is of great value to the body of Christ. As it is written in Jeremiah 29:11 For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end. God's end for you is nothing but perfection, believe it, and live your life expecting it. Judy
