Hazard, Matthew Brooks, Mickey McPherson

*Soldiers serving our country – Sean Johnson, Elijah Noel, Lepskey Nore, Sean Holy, Andrew Smith, Matthew McAlpine, Matthew Haney
Please our missions in your prayers HOE Ministries (Hope for orphans of Ethiopia)*

Healing Scripture

James 4:14-16

Is any sick among you? Let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord: And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him. Confess your faults one to another, and pray one another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much.

Isaiah 41:13

For I the LORD thy God will hold thy right hand, saying unto thee, Fear not; I will help thee.

We are living in a time like no other in history. In the past there have been plagues but never one like this where there was a daily or even hourly report numbering those infected and those whose life was taken. Information is important but sometimes too much can instill fear in our heart causing us to forget what a big God we serve. No matter what is happening those who look to God can find help in the time of need. The people out there who are putting their life in danger are amazing and we are so thankful for medical science. We should be praying for God's protection for anyone working in the front lines of the virus. Also, it is imperative we pray for wisdom and guidance for our leaders at every level of government. God is bigger than coronavirus, He is bigger than anything that can come against us. We must stand and believe God's word or our faith will be shipwrecked. You need to know that you are the righteousness of God in Christ Jesus. Know there is power and authority in the name of Jesus and believe God loves you. It is not God's will to cut anyone off in the middle of their life. But what we believe will eventually be what we become whether good or bad. Stay connected to God, stay positive no matter what the circumstances are. God has a covering over His children but we must believe in that covering and have faith in God. Jesus' disciples asked Him how to increase their faith, Jesus spoke of having a seed of faith which we need planted in our heart, then we can speak to our circumstances and they will bow down. We should follow medical and professional advice but we also must put our faith and trust in God above all else. Our pastor has said God will put you in the cleft of the Rock (Jesus) until the storm has passed. Only believe. Believing comes by faith in God's word and His promises which are all yes and amen. You can do it, don't be afraid, believe that somehow this will work together for your good even if you go through the valley on the way to the mountaintop. Praise God! Judy
