Healing Scripture

John 15:7

If you abide in Me, and My words abide in you, you shall ask what you will, and it shall be done unto you.

2 Timothy 2:15

Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

The New Year is a time to reflect upon the past year. For a child of God you might want to examine your spiritual growth. We were each given 365 days to grow in. What we did with those days was mostly our choice. We all have priorities, what is your priority? Is it to know God better, is it to fellowship with Him, is it to grow in the Word? We live in a busy, social world that claims much of our time, energy, and money. We sometimes forget it is our choice as to what we do with much of our time. We have been trained to think we need recreation, entertainment, and social engagements almost daily. That is why the television and electronics are on in most homes for a large part of the day. Many Christians don't know how to be alone and spend quite time with their Lord and Savior. We program ourselves to look at our cell phone constantly and have this feeling we must read every txt message immediately. The devil is very good at deceiving people into thinking something is important when it really isn't. If you are saved, God is speaking to you to shut down, turn off, and silence the electronics and give yourself time to commune with the Holy Spirit. The constant distractions do not make you happy and they never really helped you except for a fleeting moment of information, knowledge, or entertainment. How would you evaluate your relationship with God in 2018? Did you have the wisdom and knowledge for what passed through your life this year? Did you see God's hand in your life every day, and give Him praise and glory? No one knows what 2019 holds. The Bible tells us Jesus is coming for those who are prepared, those who are looking for Him, and those who love Him. Always remember it is your choice, your priority, and your life. Listen to the voice of the Holy Spirit who has been given to help you, comfort you, and lead you in all truth. Your spiritual growth in 2019 relies on what is important to you. Judy Onofri
