### **Revelation 12:17**

**And the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ.**

The dragon represents the devil, the woman the church, and the remnant of her seed are the believers who uphold the word of God and are ever ready to give a testimony of their life in Christ. We would love to believe that once we become a Christian life would be without problems. Unfortunately, if you are breathing you will have problems in this world. In 2 Timothy 3:12 it is written, **Yea, and all that will live godly in Christ Jesus shall suffer persecution.** That certainly is not appealing to our flesh, but we know that freedom from the bondage of sin in this world was paid at a high price, and as long as we live in this world the dragon (devil) will come against any believer. If we consider the fallen state of our world and know it is corrupted and understand it will remain so until Jesus returns, it actually helps us when the trials and tribulations of life come crashing in. If we would look at this world as temporary and understand our true citizenship is in heaven, we would not get upset by so much that goes on in life. When we have trials, tribulations, or suffer persecution know that somehow, somehow God will use it for our good. The devil knows his time is short, he knows this present world will end soon, so he wants to stop as many Christians from serving God or sharing the gospel of Jesus Christ as he can. Think on those things above and when the devil attacks just turn it over to the Lord, even better bind the enemy in the name of Jesus and hold fast to what you have (your faith in God). Never doubt God's love for you, never doubt there is an end to the pain and suffering, and never doubt you will make it through if you don't give up. Satan's only weapon against a Christian is deception. He wants you to think the bad time will never end, but Satan is a liar! The true church, the remnant will make it by the blood of the Lamb, the word of their testimony and they did not love their lives to the death (Revelation 12:11). Judy Onofri
