Healing Scripture

Matthew 9:5-8

For whether is easier, to say, Thy sins be forgiven thee; or to say, Arise, and walk? But that you may know that the Son of man hath power on earth to forgive sins, (then saith He to the sick of the palsy,) Arise, take up thy bed, and go unto thine house. And he arose, and departed to his house. But when the multitudes saw it, they marveled, and glorified God, which had given such power unto men."

1 Peter 2:24

Who His own self bare our sins in His own body on the tree, that we, being dead to sins, should live unto righteousness: by whose stripes ye were healed.

Christians have no problem believing the sin of the world was placed on Jesus, and that by His death we have received salvation. We rejoice in that and know that we have the gift of eternal life. Salvation is not always physically visible, sometimes people do not seem to be saved because we observe their actions. But as a Christian grows in the word they begin to crucify the flesh and the outward fruits of the Spirit will manifest. Believing for healing seems to be much more complicated for many Christians. As shown in this verse we know that by Jesus' stripes we WERE healed meaning, past tense, it's a done deal. If we learned the secret of asking once and believing we would see far greater results than what we often experience. With salvation a person prays once, and we see joy on their face. With healing a person prays once and if the doctor says the cancer is still there we get into doubt and unbelief. Often making excuses that it's up to God and we have no part in it. Healing took place the moment you prayed, but our faith can go up and down like a yo-yo depending on how we feel. We should never believe God by our emotions or feelings. Our faith is in His Word, that it is done no matter what we see or feel. Not everything is manifested immediately when we pray. If we still feel sick we must stir our self-up in our most holy faith and keep confessing what we believe we have, not what we see or feel. The enemy wants to get you in doubt and unbelief so you lose the promise that is yours, remember the thief cometh not but to steal, kill, and destroy. Jesus came to give us life more abundantly. Often the best thing we can do is to not share with everyone what our symptoms are but keep calling and believing those things that be not. What difference does it make if it takes longer to see your healing? Standing in faith is a lesson that each of us must learn and it usually comes when we go through something. Then a wonderful thing happens when you've gone through, you have a testimony to edify the body of Christ and hope for unbelievers! Praise God! Judy Onofri
