## **Healing Scripture**

*Daniel 10:11-12*

*And (the angel) said to me, O Daniel, a man greatly beloved man, understand the words that I speak to you and stand upright: for to you I am now sent. And while he was saying this word to me, I stood up trembling. Then he said to me, fear not, Daniel, for from the first day that you set your heart to understand and to humble yourself before your God, your words were heard, and I have come as a consequence of your words. (AMP)*

## **Psalm 84:11-12**

**For the LORD God is a sun and shield: the LORD will give grace and glory: no good thing will He withhold from them that walk uprightly. O LORD of hosts, blessed is the man that trusteth in thee.**

What does it mean to walk uprightly? To walk uprightly means your lifestyle reflects God in a holy and honorable way. Christians know they have guidelines and boundaries in the Bible by God laws, precepts, commandments and statutes. They were given as a tutor and example to help guide God's people so they would not be in error of His ways. Those who know God do not find God's word burdensome. In fact, true relationship with God causes a love for His word. If we want to be a Christian but try to blend in like the world in our beliefs, actions, and speech we will compromise the word of God. God's word will help us know what God's will is. If we find our prayers seem to go unanswered it doesn't mean God is selective on whose prayers get answered. It just means we need a better understanding of God's Word and what His will is. We also need to be aware that God sees the whole picture from beginning to end. When you pray, trust God that He hears you and knows what's best. If we know and understand God's word and obey it we will walk uprightly with God. God spoke and His Word created reality and what we believe and speak out of our mouth creates much of what we have. What comes out of our mouth can cause us to not walk uprightly. If we murmur and complain instead of praising and glorifying God we will find life is not what we desire. We need to line up our speech with God's Word. The Israelites got into great trouble because of what they spoke out of their mouth. They were always speaking out the flesh because they thought life was too hard (they only had manna to eat, they couldn't find water, they didn't like Moses as a leader) the list goes on and on. God IS a sun and shield, God DOES not withhold any good thing from those who walk uprightly. If God's word and your life do not match up then allow the Holy Spirit to teach and guide you in all truth. God will give you understanding and help you make the changes needed if you believe and trust God's grace. Being a Christian is the greatest joy in the world no matter what we go through to those who walk uprightly and trust God. Judy Onofri
