Healing Scripture

Galatians 3:13-14

*Christ has redeemed us from the curse of the law, being
made a curse for us: for it is written, Cursed is every one
that hangeth on a tree: That the blessing of Abraham
might come on the Gentiles through Jesus Christ; that we
might receive the promise of the Spirit through faith.*

Ephesians 5:15-17

See that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil. Wherefore be ye not unwise, but understanding what the will of the Lord is.

Is time something that is of value? Yes, it must be, or we would not be told to redeem the time. Redeem means to rescue, ransom from lost, or to recover from the power of another. Could it be that Satan is stealing our time with things that are not the will of God even though they seem good, and/or they are things we like to do? We must remember that the thief cometh not but to kill, steal, and destroy. Time is valuable and an important resource. In Ecclesiastes 3:11 it is written that God has put eternity in our heart. If we have eternity in our heart then it is supernatural, different from the time we live our daily lives in, which is temporal. Therefore, we have two dimensions of time available to us. Time can be our friend or it can be our enemy, it depends on what we sow into time. If we sow seeds of hope, love and spiritual truths then we are sowing into eternity. If we sow discord, offense, worry, guilt, fear or anything that is negative then we are sowing into the temporal which affects our daily life, mentally and physically. The second line of this scripture verse warns us to be wise and understand the will of the Lord. If we are not spirit led and spirit guided then we cannot fulfill God's plan and purpose in our life. There is no doubt the times are evil and we should be aware of the importance of walking circumspectly, that is, watchfully, in this world. We all see what technology has done to steal time in people's lives. Technology can be used for good to sow the gospel of Jesus Christ throughout the heavens changing people's destiny. It has also been used to steal away thousands of hours in games, surfing the internet, Facebook, etc. This can fill up hours each day keeping people from personal time with God and reading their Bible. If the days are evil the church, (you and me), cannot afford to be complacent and sit back quietly. In the last days the righteous will be more righteous and the wicked more wicked. Time is a resource that must not be squandered away but used with thought and wisdom as to God's direction in all we do. Cling to Jesus, stay in constant communication with God and be aware that we are to maintain good works (Titus3:8). How much time do we have left? No man knows the day or hour, but be assured time is running out. Judy Onofri
