## **James 1:21**

**Wherefore lay apart all filthiness and superfluity of naughtiness, and receive with meekness the engrafted word, which is able to save your souls.**

Using Greek definitions we have a clearer understanding of the scripture in James, Wherefore laid aside all filthiness and excess of evil and receive with humility the implanted word, which is able to save your souls. In the verses previous to this, James states that every man should be swift to hear, slow to speak, and slow to wrath, because the wrath of man does not work the righteousness of God. Most Christians understand that the word of God is what they heard, believed, and brought them to salvation. We may think that once we are saved there is little concern about our destination at the end of our life. But we have an enemy who is watching carefully, planting seeds of strife, unforgiveness, bitterness, envy, and an endless list of snares to bring a believer out of relationship with God. Satan never stops trying to get you to speak words of doubt, unbelief, and one of his favorites, complaining. Why? Because the words you speak are what you believe and will cause Christians the most spiritual harm. We think we can say whatever comes off the top of our head when we should be filtering everything we say through our born again spirit. James encourages us to humbly receive the word of God, for it is the word of God that will transform our mind, allowing us to see what truth really is. When we recognize God's word as truth it will help you be aware of what words come out of your mouth. Your soul consists of your mind, your will, and your emotions. If you do not transform your mind by renewing it every day in the word you are endanger of shipwrecking your faith. By planting the word of God in your heart it will grow and cause your relationship with God to be closer and dearer. The word of God is full of light and life. Those who know and love God's word will be stable and not be swayed by every wind of doctrine, or lies that man professes. As James tells us the engrafted word is able to save your soul and we must never take that for granted, but seek to glorify God in all we do. Judy Onofri
