Healing Scripture

Acts 10:38

How God anointed Jesus of Nazareth with the Holy Ghost and with power; who went about doing good, and healing all that were oppressed of the devil; for God was with Him.

1 Timothy 2:1-4

I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks be made for all men; For kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty. For this is good and acceptable in the sight of God our Savior; Who will have all men to be saved, and to come unto the knowledge of the truth.

The United States is a diverse country founded by men and women who desired religious freedom. It was established as a republic based on checks and balances so that not one man or one group could control the country. We are quite tired of all the political rhetoric that comes across our media that is why a Christian should think, believe, and speak in line with the word of God. The only way Christians will be unified is if we read, study, and adhere to God's word rather than what we see and hear in the world. Hopefully, most Christians are praying every day, but what are they praying for? Is it for personal needs only, or are Christians looking outward to a nation that is struggling? Today is Veteran's Day and many men and women in the armed forces will be recognized and honored for giving their time and putting their life on the line for their nation. That is pleasing to God. God is very big on obedience to authority, it originated in the church and should be established in our government. God's word directs us to pray first for all kings (that would mean our president) and for all that are in authority (governors, senators, legislatures, congressmen, policemen, teachers, pastors, elders, parents etc.) When you read 1 Timothy 2:1-3 do you take it seriously? If we tear down our government, policemen, or teachers in front of our children, we raise up a generation that has no respect or honor for authority. Soldiers know all about authority and learn very quickly their opinion does not matter. Have you submitted to the authority of God? Then your opinion is not pleasing to God unless it is based on, "thy will be done". Peace and living a quiet life comes from obeying God's word with supplications, prayers, and intercessions for the lost at every level, whether in leadership or your next door neighbor.
