## **Healing Scripture**

*Matthew 9:5-8*

*For whether is easier, to say, Thy sins be forgiven thee: or to  
say, Arise, and walk? But that you may know that the Son of  
man hath power on earth to forgive sins, (then saith He to the  
sick of the palsy,) Arise, take up thy bed, and go unto thine  
house. And he arose, and departed to his house. But when the  
multitudes saw it, they marveled, and glorified God, which had  
given such power unto men."*

### **Jeremiah 29:11**

**For I know the thoughts I think towards you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end.**

Jeremiah, the prophet, spoke these words from God to the remnant taken to Babylon into captivity. One would think considering what the people had gone through in the siege against Jerusalem and its destruction that there was no future or hope for Israel. That was not true, God still loved Israel and knew one day they would emerge from death and destruction and return to their own land. Israel had long been disobedient to God in idol worship and even allowing their sons to pass through the fire in sacrifice to false gods. Their disobedience and rebelliousness towards God had gone on for years and years. God sent prophets trying to get the people to turn back to the one true living God who had brought them out of Egypt and made them a great nation. But Israel had refused and now suffered horribly. Unfortunately, that seems to be what man is prone to do. We become confident in our own ways and think we are right in what we believe. Then death and destruction come and we look up and say why God, why? God loves His creation but we only truly live well when we line up with God's word and we give all honor and glory to God. As we go through the difficulties of this present time some who have wandered away from God will turn back and seek God with all their heart. It is not God's desire for anyone to die from the pandemic, the suffering man goes through is often a result of man's separation from God. We cannot serve two gods and think life will go well. The world is geared toward the destruction of man with its ideals and values because it is under the influence of the prince of the power of the air (Satan). Man must surrender all to the God who created man, because God has an expected end for His creation. That end is eternal life but it is also to prosper and be in health here and now, just as our soul prospers 3 John 2. Always know and believe that God loves you and wants nothing but the best for you. God's word has conditions to the believer, we are to submit to God and give Him what is His, that being your mind, your will, and your emotions. When we do, the blessings are exceedingly, abundantly above all we could ask or think. God is good and His promises are yes and amen to those who choose to follow, obey, and love God with all their heart and mind. Surrender to God and you will never regret it, He has all the answers to life's problems, God's answer is Jesus.
